A034	Contract Change Proposal (CCP)	DI-ADMN-81401B	3.8.11

PREFACE

Acceptance of CDRLs does not constitute authorization for any contract changes. All contract changes must be approved by the PCO.

1. Applicable technical data named in this Contract Data Requirements List (CDRL) must be prepared and delivered to the Program Management Office (PMO), PMW 150 as part of the product/system process. Delivery requirements are stated in the individual CDRLs. Satisfactory data submissions are required for COR approval of the deliverable.
2. Each Data Item Number identifies the Quantity, Delivery Schedule and the Media of the data that must be delivered. The Statement of Work (SOW) describes the requirements in detail.
3. For each CDRL delivered the COR will notify the contractor via a COR letter Approval, Conditional Approval, or Disapproval. Conditionally approved CDRLs will need to be resubmitted for approval with incorporation of the COR letter instructions and comments. CDRLs that have been Conditionally Approved or Disapproved need to be resubmitted to the Government within the time specified in the CDRL or less, as specified in the COR letter.
4. Questions pertaining to a CDRL and any particular items should be directed to PEO C4I, PMW 150, representatives listed below.
5. CDRL distribution addresses are as follows:

PEO C4I (PMW 150)

Attn: David Mendoza
Building OT-1
4301 Pacific Highway
San Diego, CA 92110-3127
Email: david.mendoza1@navy.mil

SPAWAR Contracts

Attn: 2.0 Contracts Directorate
4301 Pacific Highway
San Diego, CA 92110-3127
Email: matthew.fleming@navy.mil

6. All CDRL deliverables shall bear the contract and Data Item Number and be delivered with unrestricted rights to use and shall not bear copyrighted information unless approved prior to contract award.
7. All "Day(s)" references in the CDRL are calendar days, unless otherwise specified.
8. For any documents cited in the contract, if the date of issue or revision is not specified, then the applicable issue of the document shall be the latest version of the document as of the date of contract award.
9. For administrative convenience, the following link provides CDRL completion instructions with acronyms commonly used therein: <http://nawctsd.navair.navy.mil/Resources/Library/Acqguide/cdrlprep.htm>
10. In addition to the CDRL addressees listed in paragraph 5. above, a CDRL repository site will be identified and site access will be provided to the contractor prior to contract award. To facilitate Government review of the contract deliverables, the contractor will be expected to upload each CDRL into the proper CDRL folder on the CDRL repository site.

GENERAL REQUIREMENTS

Applications/Format:

All deliverables shall be submitted electronically. All CDRLs shall be delivered via compact disk and electronically, when appropriate. All CDRL deliverables shall be delivered in a common editable format such as Powerpoint, Word and Excel. Other acceptable formats, listed below in the preferred order, include:

1. ASCII Format
2. Rich Text Format (RTF)

Media:

1. Engineering Drawings shall be delivered in Initial Graphic Exchange Specification (IGES) format on a Standard CD-ROM.
2. Configuration Control Documentation shall be delivered in C1 Raster format on a Standard CD-ROM.

All Other Deliverables shall be delivered as follows:

1. Deliverables comprised predominantly of text/numbers shall be delivered on a Standard CD-ROM.
2. Deliverables comprised predominantly of graphics, an equal mixture of text and graphics, shall be delivered on a Standard CD-ROM.
3. Custom Integrated Circuit Design Validation Data deliverables shall be delivered on a Standard CD-ROM, 8mm Helical Scan Tape OR 4mm Digital Audio Tape (listed in order of preference). Magnetic Tape shall only be used as the media of last resort.

Miscellaneous:

1. Classified, restricted or proprietary information shall be isolated, by category, and submitted on separate media.
2. NSTISSI 4000, COMSEC Maintenance and Maintenance Training applies if the equipment is going to be maintained.
3. NSTISSP 300, National Policy on Control of Compromising Emanations applies when required by user. Appropriate National policy applies for TEMPEST Requirements.

CONTRACT DATA REQUIREMENTS LIST <i>(1 Data Item)</i>						<i>Form Approved</i> OMB No. 0704-0188								
The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to Department of Defense, Washington Headquarters Services, Directorate for Information Operations and Reports (0701-0188), 1215 Jefferson Davis Highway, Suite 1204, Arlington, VA 22202-4302. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. Please DO NOT RETURN your form to the above address. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in block E.

CONTRACT DATA REQUIREMENTS LIST (1 Data Item)						Form Approved OMB No. 0704-0188								
The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to Department of Defense, Washington Headquarters Services, Directorate for Information Operations and Reports (0701-0188), 1215 Jefferson Davis Highway, Suite 1204, Arlington, VA 22202-4302. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. Please DO NOT RETURN your form to the above address. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in block E.

ATTACHMENT 1 DD-1423

THE CONTRACTOR SHALL APPLY THE FOLLOWING DISTRIBUTION STATEMENT TO EACH DELIVERABLE:

Do not distribute to DTIC or other data depositories.

Distribution limited to the Department of Defense (DoD) and DoD contractors only (critical technology) (26 JANUARY 2014). Other requests shall be referred to Command and Control Program Office (PMW-150) PEO C4I.

Marking on documents shall be applied as follows: No deliverables shall contain proprietary markings unless specifically authorized by statute or regulation.

Written or Printed Material with Covers and/or Title pages: Statement printed, typed or stamped on front cover and title page.

Documents without Covers/Title pages: Statement typed, printed or stamped on first page.

Drawings: Statement typed, printed or stamped near title block.

CDs: Statement typed, printed or stamped on CD front.
