SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

The due date for receipt of proposals has been extended to 15 May 2012 as reflected in this amendment. A conformed Solicitation N00039-12-R-0003 thru Amendment 0004 will be posted with this amendment.

SECTION L - INSTRUCTIONS, CONDITIONS AND NOTICES TO BIDDERS

In clause L-317 – SUBMISSION OF PROPOSALS (COMPLEX) (JUL 1999), paragraphs 1.2; 4.4.1; and 5.4.6 have been revised as follows:

1.2 TIME & DATE FOR RECEIPT OF PROPOSALS, the paragraph is revised to read as follows:

The time and date for receipt of proposals is **12:00 pm, 15 May 2012**, in accordance with paragraph 1.7 within this provision. Submissions are subject to the late proposal provisions of FAR 52.215-1, Instructions to Offerors-Competitive Acquisition. All times are local time in San Diego, California.

4.4 Section 4, Past Performance (Factor 4), the first paragraph of 4.4.1 is revised to read as follows:

4.4.1 Offerors (primes and major subcontractors) are to provide past performance information on recent contracts performed by the Offeror and/or its proposed major subcontractors for efforts similar and relevant to the requirements of this Request for Proposal. This data shall be submitted for no more than five (5) of the most recent and relevant contracts for the prime contractor, and for no more than one of the most recent and relevant contracts for each major subcontractor. "Recent" is defined as a contract performed within the last five (5) years. **For purposes of past performance, a** major subcontractor is defined as a subcontractor that will be performing at least 10 percent of the total proposed effort (by dollar value) under any resultant contract. This information shall be provided by the submission of RFP Attachment 7 "Reference Information Sheet" for each contract.

5.4.6 Basis of Estimate (BOE), the second paragraph of 5.4.6 is revised to read as follows:

The BOE shall contain all pertinent technical and programmatic information used to develop the cost. The BOE shall include reasons and justification for any adjustments made to programmatic, technical and actual cost data for the historical system. The Offeror shall provide the basis and document any adjustments applied to the historical data, such as complexity factors and normalization methods, to reflect the characteristics of the proposed system. The BOE shall also include an audit trail "sufficient" for the Government to reconstruct the proposed estimate and judge the credibility of data application. The BOE shall include the estimating methodology and application of the cost data. Substantiation, as described in 5.4.5, is required for all costs included in the cost proposal. The requirements outlined in this section shall apply equally to the prime and any expected major subcontractors **(as defined in Section 5.4.3 Major Subcontractors Requirement) as prescribed in FAR 15.404-3.**
