

Question: Can you please clarify if a Contract letter and cover page would count towards the 25 page limitation?

Answer: A Contract letter and cover page will count towards the 25 page limitation. Technical paper submittals shall be no longer than 25 pages (excluding CPARs/PPIRs/SF294s/relevant experience forms). BAA N00039-10-X-0003 will NOT be amended to reflect this change. The time and date for technical paper submission will not be extended.
